into a world of another and self.

Many a man is looking out for his

health, but looking for disease in the wrong direction. He takes medicine for

his nerves, which seem "gone to pieces." He "doctors" for his heart, which is

acting irregularly. He constantly stirs up his liver with pills and powder. But

he does not get any better. He is look-

Ing for the cause of his complaints in

find that when the discased stomach is

the sluggish liver stimulated, and the

throbbing nerves tranquilized. This fact alone suggests the truth which every

leading medical scientist knows and rec-

agnizes-that diseases which seem remote from the stomach are often caused

by the disease of the stomach and other

the diseased stomach and the digestive

the other organs are cured with them.
Food is the basis of life and of

strength. But it is not the quantity of

food eaten which supports the life and health of the body. The body is sus-

tained by that portion of the food which

after being esten is converted into

nourishment and properly assimilated. When the stomach and its allied organs

of digestion and nutrition are diseased or "weak," only part of the food eaten is converted into nutrition, and the body

and its organs are therefore only partly nourished. Dr. Pierce's Golden Med-

ical Discovery cures the diseases of the

stomach and digestive and nutritive sys-
